Preheat oven 450°

Grate 1lb Swiss cheese

Fry crisp 10 slices bacon &  
crumble or use leftover ham  
chopped very small (1 cup)

Mix together

4 eggs  
2 cups half & half  
pinch sugar  
" Nutmeg

3/4 tsp salt  
1/2 tsp. pepper  
dash red pepper

Sprinkle bacon & cheese in  
bottom of pie crust, add above  
custard mixture bake 450° for  
12", reduce heat to 325° &  
Cook 25 to 30 More Minutes. Test

with a brief like custard.

Even I do this all  
ahead of time, even mix  
the custard part & then  
Put together at last minute  
& bake. It is better if  
it sets out for about  
half hour after baking -  
before cutting.
