

Chopped Apple Cakes

1 cup Sugar

$\frac{1}{2}$ cup Margarine

1 Egg

Pinch of Salt

$1\frac{1}{2}$ Cup Flour

1 tsp. Soda

$\frac{1}{2}$ tsp. Cinnamon

$1\frac{1}{2}$ cups Chopped raw apples

$\frac{1}{2}$ cup Raisins — $\frac{1}{2}$ cup chopped nuts — $\frac{1}{2}$ cup cold water

oven

Mix all ingredients, except Apples,
Raisins, and nuts. Bake in 350° oven for
35 to 40 minutes.

This is good without icing or just a
thin layer of icing if made of powdered sugar,
orange juice, margarine and Vanilla.

Recipe says tart chopped Apples. I just
used Galsas.
