

## Fig Cake

- 3 large eggs
- 1 cup sugar
- 1 cup vegetable oil
- $\frac{1}{2}$  cup buttermilk
- 1 teaspoon vanilla extract
- 2 cups all purpose flour
- 1 teaspoon baking soda
- 1 teaspoon salt
- 1 teaspoon ground cinnamon
- $\frac{1}{2}$  teaspoon ground cloves
- $\frac{1}{2}$  teaspoon ground nutmeg
- $1\frac{1}{2}$  cups fig preserves
- $\frac{1}{2}$  cup applesauce
- 1 cup Chopped pecans, toasted

Beat first 3 ingredients at med. speed with electric mixer until blended. Add buttermilk + vanilla - mix well.

Combine flour, & next 5 ingredients; gradually add to buttermilk mixture, beating til blended. Fold in fig preserves, applesauce + pecans. (Batter will be thick).

Pour batter into 2 greased-floured 8 inch round pans.

Bake  $350^{\circ}$  for 35-40 min or until a wooden pick inserted in center comes out clean. Cool on wire rack 10 min

remove from pans - cool completely on wire racks

Spread cream cheese frosting on tops + sides of cake - store in the fridge.

## Cream Cheese Frosting

1½ (8oz.) pkgs. cream cheese - softened

5 tablespoons butter - softened

2 teaspoons vanilla extract

2 cups powdered sugar

Beat cream cheese, butter, + vanilla at medium speed with electric mixer until smooth. Gradually add powdered sugar, beating at low speed just until blended. DO NOT OVERBEAT, or frosting will be too thin. Makes 3½ cups
