

Here's what's cookin' Beef Brisket Roast Serves

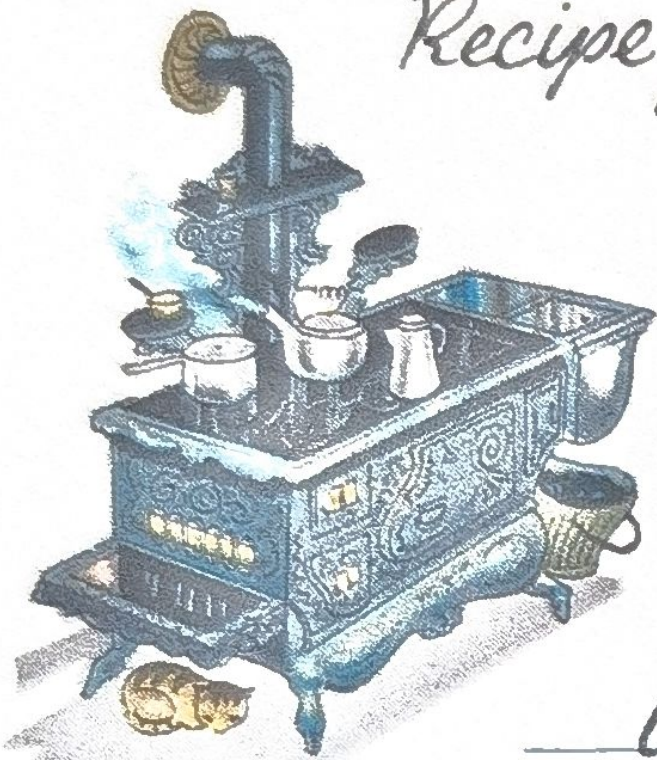

Recipe from the kitchen of Florin Young

Lay a Beef Brisket
on heavy foil.

Sprinkle with tenderizer,
seasoned salt, pepper &
(salt) if necessary.

Worcestershire sauce & dash
of liquid smoke.

Seal & put in refrigerator
Next day place in pan (wrapped)
& Bake for 2½ to 3 hrs at 250 degrees
oven.

Then I have at 300 degrees.
I have made a note to allow for
longer baking time - it has been
years since I ~~used~~ used this
recipe.
