(Small) Apple Cobbler

Peel & Slice about 7 sm. apples

- mix together:
  - 1½ cup Bisquick
  - 1 Heaping TBL. of Shortening.
  - Dribbled cold water into flour mix and form a firm ball.
  - On a table - sprinkle out flour. Wad dough into flour. And roll out

into shape of pan.
- Mix together:
  1/4 cup sugar
  1½ heaping tsp. flour.
- Sprinkle in bottom of pan. Sprinkle nutmeg over sugar + flour.
- Put in apples over mix.
- Add a lot of Nutmeg (cover good) over apples. Also

cut up about 1/3 cube butter over apples. Then sprinkle 1/2 cup sugar over all.

- Add water almost to top of apples, not quite to top but almost.

- Put dough on top + punch holes with knife on top. (Make a design). Sprinkle a

little sugar over top of dough. Put in oven & bake at 350°; for about an hour until brown & apples are tender.

- If browning too fast turn heat down to 300°.

- Turn occasionally in oven.

Do Not add Nutmeg with Peaches or Cherry.
