Citrus Chicken

Put flour, salt & pepper in bag & shake to coat chicken (I do on plate)

Arrange chicken breasts (or other pieces, I used 10 thighs & legs could be more) in foil lined pan & pour over it, 3/4 stick of melted butter or oleo. Cover tightly w/ foil & bake at 375° – 30 & 35 min.

Combine & heat in saucepan

1/2 c orange juice

3/4 c currant jelly

¼ c orange marmalade
1 T dry mustard
½ t. ginger
orange rind (optional)

Remove cover from chicken pour on sauce (little at a time) and bake 30 - 35 min longer, basting w/ sauce several times.
