Chicken Spaghetti

Got my recipe from Betty Crocker

1- Chicken
1- 8 or 10 oz. pkg. of elbow spaghetti
1- Can mushroom soup
1- sm. or med. onion Chopped
1- sm. or med. bell pepper- Chopped (optional)
1- sm. can pimentos
1- cup grated cheese (Longhorn cheddar)
1- cup of Chicken broth (more or less depending if you need it)

(over)

Boil, cool & bone Chicken, cut into
sm. pieces.
Save about a cup of broth.
You may cook your spaghetti in the
balance of Chicken broth. It gives
it a good flavor. Salt & Pepper to
taste. Fry onion, bell pepper together
until tender, mix everything together
& put into a buttered casserole or
pan & spread cheese on top & Bake
at 350 until cheese is melted & brown
about 30-45 min.
