makes 1-8"or 9" pie - double for 2 pie.

amy. Chocolate Cream Pie 350°

1 cup sugar (In a double boiler)
1/3 c. flour (or 3 T. cornstarch)
1/4 tsp. salt
* 2 c. milk try 1½c. (not put in pan then choc. add with chocolate)
3 slightly beaten egg yolks
2 Tbl. butter or margarine
1 tsp: vanilla
* 2 one oz. squares ~~unsweetened~~ semi-sweet chocolate add with milk (chop up)
(2-1oz. squares = 5 T. cocoa plus 2 T. butter)

In saucepan or double boiler, combine sugar, flour & salt. Gradually stir in milk. Add chocolate (which has been chopped). Cook & stir over medium heat until mixture boils & thickens. Cook 2 min. longer. Remove from heat. Stir small amount hot mixture into yolks, return to hot mixture. Cook 2 min. stirring constantly. Remove from heat. Add butter & vanilla. Cool to room temperature. Add to baked pastry shell

(To prevent a crust from forming, put plastic wrap directly on top - touching surface of hot pudding. Clean to side.)
