Plain Pie Crust (double 9"-10")

2 cups flour
1 tsp. salt
2/3 cup shortening
5 to 7 T. cold water (6 T.)

Mix flour, salt & shortening. Add cold water, usually 6 T. Divide in 2, (for lower & upper crust.) Roll out each, between two pieces of wax paper. Enough to cover pie dish.

Pie crust (cont.)

Spread out dough & put in filling. Cover & mark design. Cook. 425° for 50 min. (Kwaj. 400° - 50 min.)

Double crust is for fruit pie & single is for cream pie. With cream pie, bake crust first. (put holes in bottom before baking crust.) Then pour in ingredients. Never put holes in fruit pie or pecan pie — just on top of pie.
