Potato Soup

(1. add celery to.

3 large potatoes
1 large onion
Butter (almost half cube.)
Milk (about 2/3 quart.)
-Dice 2 potatoes, slice other one.
Dice onion fine.
1 Tblsp. salt. — 1 c. Celery tops
Sprinkle in peppes
Barely cover with hot water, cook over high heat

until soups comes to a boil. Then turn heat down low and simmer until potatoes are very tender. Stir occasionally so it won't stick. When water has boiled down, prick potatoes and if tender add butter, let melt. Turn fire back up, add milk and leave uncovered. Let

Potato Soup

soup come to a rapid boil. Turn fire out, let set for a few minutes, then serve.

Takes approx. 45 min.
Serves 3.
