Strawberry Bavarian Mold

1 - 10 oz. pkg. frozen strawberries, thawed
1 - 3 oz. pkg. strawberry flavored gelatin dessert
1 cup hot water
1 Tbl. lemon juice
dash salt
1 - 6 oz. can (2/3 cup) evaporated milk, chilled ice cold

Drain strawberries, reserving syrup; dissolve gelatin in hot water; add reserved syrup, lemon juice & salt.

Chill until partially set (mixture or consistency of ice). Add milk. Beat at high speed with mixer or rotary beater until fluffy & the mixture mounds slightly when spooned. Gently stir in berries. Pour into 6-cup mold or into individual molds serving dishes. Cover until firm. Unmold & trim with dessert topping or whipped cream if desired. Serves 6 to 8. This dessert may also be made with frozen raspberries.
