"Tipsy Fruit" FERMENTED

Never let contents get below 3 cups.

Every two weeks add ① peaches cut in thirds ② maraschino cherries cut in half or ③ pineapple tidbits cut in half. Drain thoroughly before adding. Add 1 cup fruit and one cup sugar. Do not add more often than every two weeks. DON'T LET GO MORE THAN THREE WEEKS Do not refrigerate. Stir occasionally with wooden spoon.

To divide, wait until just before adding fruit, then add fruit and sugar to

each jars.

Yummy on pound cake, ice cream.

After adding, don't eat for 2 days at least. (3)
