

Choc. Nut Angel Pie

Sift together $\frac{1}{2}$ C sugar & $\frac{1}{8}$ tsp Cream
of tartar. Beat 2 egg white until stiff
but not dry. Add sifted sugar gradually
to the egg whites, beating well after each
addition. Continue beating until meringue
is quite stiff & no sugar crystals are
present. Fold in $\frac{1}{2}$ C almonds, Chopped very
fine. Butter a 9" pie plate & fill with
meringue - don't bring to edge of plate. Bake in

slow oven, 270° for about 1 hr. or until
delicately browned. Cool Thoroughly.

Choc. filling: Melt $\frac{3}{4}$ C semi-sweet Choc. Bits
in top of dbl. boiler. add 3 Tbsp hot water
& cook until thickened. Cool slightly - mixture
will become quite Thick. Then add Tbsp
vanilla. Then whip 1 C heavy cream &
fold into the chocolate. Combine well,
but do not beat. Pour into meringue
shell & cook 2-3 hrs.
