Serves 2 pie

1 Can same pie cherries

1 small Can Cr. pineapple

2 C sugar

1 T Cornstarch

1/2 tsp. salt

1 tsp. vanilla

1 T. red color

6 bananas

1 C nuts

2-4" graham crumb crusts

In large pan combine sugar, salt and Cornstarch. Drain cherries & pineapple, save juice & add water to make 2 cups. Stir the liquid slowly into pan.

Add cherries, pineapple, vanilla, and food coloring. Cook & stir over med. heat until it boils - will be stiff. Cool - add bananas & nuts.

Fill Crusts - Chill 2-3 hrs. longer.

Can be made ahead of time, but don't put into crusts until shortly before serving - will weep if put

into cream too soon. Top with
whip topping. If mixture is frozen -
do not add bananas as they turn
brown
