

SCALLOPED CHICKEN HAZEL CHASE

Cook one large hen - 4 lbs. - until well done. Remove meat from bones and dice - skin should be ground thru food chopper.

Sauce:

Let the broth in which the chicken was cooked cool. Remove $\frac{1}{2}$ pt. of fat, add two well beaten eggs and one cup of flour. Beat well and add enough milk to make $\frac{1}{2}$ gallon. Cook in double boiler or stir well while cooking. Butter large baking dish (roaster or oblong cake pan) and put a layer of uncooked dressing in bottom - make the dressing your usual way. Now add half of cooked sauce, then layer of chicken, rest of sauce and cover top with buttered cracker crumbs.

over

Bake in moderate oven until brown on top and the dressing is done 45 - 60 minutes. If top seems dry sprinkle with milk. Let set to cool slightly and cut in squares to serve. Mushrooms on top are tasty.
