

Here's what's cookin' Beignets Serves

Recipe from the kitchen of

$\frac{1}{2}$ C. butter or

1 t sugar

Margarine

$\frac{1}{4}$ t salt

1 C + 2 T sifted

1 t vanilla

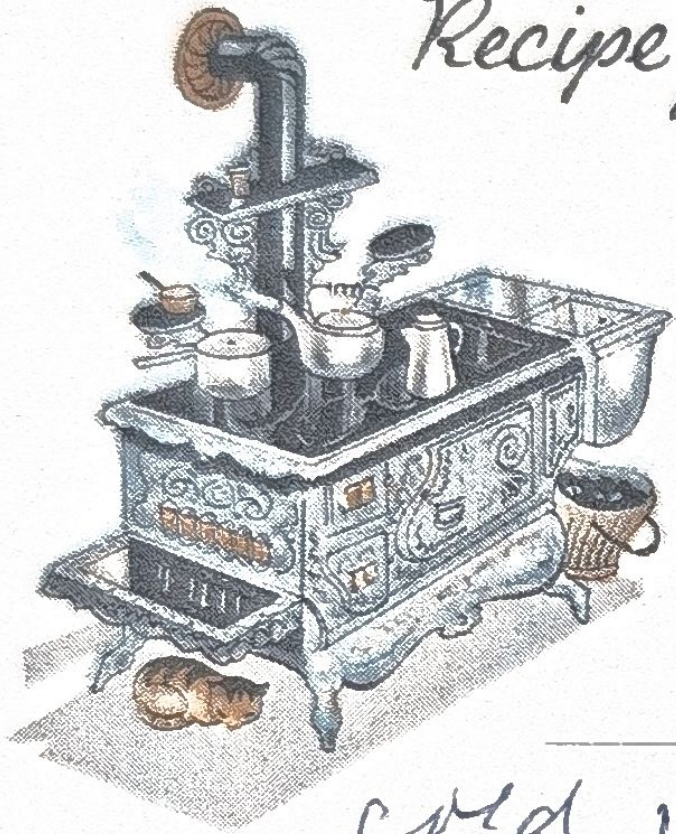

regular flour

In medium pan, heat
butter, sugar, salt and 1 C

cold water to boiling. Remove

pan from heat, add flour all at once -

stir vigorously until combined
thoroughly and dough forms a ball

add vanilla, then eggs one
at a time stirring vigorously.
Dough should be smooth & glossy.

Meanwhile heat $1\frac{1}{2}$ in salad
oil in electric skillet set at 375°

Drop heaping tablespoons of dough
into hot oil and fry, for a time
until golden. Each beignet will puff up
to about 2" when done. Drain on paper
towels.

Just beignets with powdered sugar.
Serve warm.

May be served with strawberries.
