

## Strawberry Cake

1 package of white cake mix

1 package strawberry jello

1 cup wesson oil

4 whole eggs

3/4 cup of frozen strawberries

Mix these ingredients together. You do not add any other liquid than is called for in the recipe. Bake in 325 degree oven about 40 minutes in 2 large cake pans or 3 small ones. Frost.

## Filling

1 pkg. powdered sugar

$\frac{1}{2}$  stick margarine

Juice drained from strawberries

Combine ingredients; beat until fluffy. Ice cool cake
