

Chocolate Chambord Truffles

1½ lbs. bittersweet chocolate
2 egg yolks
1 c. confectioners sugar
4 T. butter
½ c. heavy cream
¼ c. Chambord liquer
(½ c. cocoa powder - to roll in)

Combine egg yolks & sugar in food processor. Combine cream & butter in saucepan, and melt butter but DO NOT BOIL.

Add cream mixture to food processor and purée. Add liquer. Melt chocolate & add to food processor & mix.

Refridgerate dough until firm.
Scoop out table spoonfuls and roll into balls. Roll balls in cocoa powder, and shake off excess.

Store in fridge.
