Recipe from the kitchen of Midge Robertson

1 lb. round or ground beef
1 sm-med. onion, chopped
Salt, pepper, parsley
2 TB Worchestershire sauce
1 15oz can tomato sauce + ½ of the can of water

Brown meat and onions, add other ingredients. Cook for 45 min on low heat Add Kidney Beans, pinto, even green chili. If you add noodles, do it when

you add the other ingredients. Add them dry and let them cook for the 45 min.

you can also add cheese but make sure you transfer it to a glass or ceramic baking dish first. Cheese sticks to metal and is diffcult to get off.
