Here's what's cooking: Lumpia

Recipe from the kitchen of: Jody Griffin

1 lb. ground beef
1 lb. pork sausage
egg(s)
chopped celery
chopped green pepper
chopped onion
chopped carrots
finely chopped ham
garlic powder or salt
soy sauce
shrimp
catsup
pepper to taste

Brown beef and pork; drain off ex
excess fat. Add other ingredients
to suit personal preference.
Wrap in Lumpia wappers. Fry until
golden brown. (over)

I've found that if you dampen the edge to be sealed on the wrappers with water or egg whites they hold together better.
