- cont. - Honeydew Rings

spoon scoop out the seeds. Peel honeydew. Fill about 3/4 full of gelatin + refrigerate until filling has thickened to the consistency of egg white. Drop fruits into cavity. If cavity is not completely filled, add more gelatin. Chill until firm. (To prevent tipping, place melon in a heavy bowl in an upright position.)

Mash the cream cheese + dilute

with a few drops of cream. Dry the melon well with paper towels, then spread with cream cheese, covering entire surface. Roll in chopped nuts. Chill again until cheese is very firm. With a sharp knife slice crosswise 1 inch thick. Line a platter with romaine lettuce & arrange the melon on it. 8 servings
