Minted Chocolate Cream Torte
(for a party)

2 (9 3/4 oz.) pkg. refrigerator devil's cream pie
1/3 Cup sugar
2/3 Cup Margarine
4 Cups (1 Qt.) milk
1/2 tsp. peppermint extract

Topping: 1 Cup heavy cream
Mint sprigs

Lightly grease a 7-inch spring form pan. Set aside.

(2) Minted Choc. Cream Torte

Working with 1 pkg. of regrigerator cream pie at a time, prepare like so:

In small bowl, blend little bag of cracker crumbs with 3T. sugar & 1/3 cup melted margarine. Press crumbs over bottom of spring form pan to form an even layer. In another small bowl, blend bag of choc. filling with 1/2 cup milk. Beat at low speed for 2 mins. to thicken. Spread evenly over crackers

(3) Choc. Cream Torte

Crumbs. In a med. bowl, combine white filling with 1½ cups milk and ¼ tsp. peppermint extract. Beat a low speed then at med. speed for 3 mins. to thicken. Spread evenly over Choc. layer.

Repeat steps, using second pkg. refrig. cream pie & remaining ingredient to form a second Choc. crumb layer, Choc. filling layer, & white peppermint layer. Freeze 4 hours or until firm. Remove outside rim.

(4) Choc. Cream Torte

Before serving: Beat 1 cup heavy cream until very stiff. Pile prettily or pipe (using a No. 5 tip) in swirls around edge of freezer cake. Decorate with mint sprig. Serves 6-8 generously.
