

HEINZ Pickles

100 pickles put in salt brine strong enough to hold up an egg. Allow them to stand 9 days. After 9 days put in cold water for several hours.

Put in a kettle with 3 qt. of water & 1 heaping tsp. Powd. alum & let boil 6 min. After that put pickles in the cold water so

They get cooled off. Then put
pickles in stone jar again cover
pickles with cold vinegar & let
stand again 9 days, after that put
them in fruit jars, in each jar
put 1 dry red pepper. (From mixed
specie.)
To each cup of sugar add 1 C. vinegar
 $\frac{1}{2}$ tsp. essence of cloves and $\frac{1}{2}$ tsp.
cinnamon. Bail let stand to cool
before putting on pickles.
