

Pecan Pie

Use 9" pie shells (not deep dish)

1 c. dark brown sugar, packed

2 TB Butter

1 $\frac{3}{4}$ c. light corn syrup

1 tsp. vanilla

4 eggs

2 c. pecan pieces

Perfect halves to decorate top

(over)

Boil sugar + syrup exactly 2 min.

Beat eggs til lemon colored

slowly pour in hot syrup while beating

Mix well

Add butter, vanilla, pecan pieces, Mix.

Pour into shells + lay pecan halves

on top. Bake 350° 35 min.

(I measure the sugar + corn syrup scant amounts + doesn't seem to affect timing) -
