

Potatoes

4 cups cooked mashed potatoes
(about 6 med. sized)

cooked in 2 t. salt

2 1/2 t. salt

1/8 t. white pepper (I used black)

3 c. creamed style cottage cheese

3/4 cup sour cream - 1 1/2 T. grated onion

melted butter - 1/2 c. toasted almonds

(used)

Mash potatoes thoroughly.
Add no milk or butter.
Press cottage cheese through
sieve or buzz in blender -
(I don't do this) - straight
from carton. Mix warm
potatoes & cheese together - add
sour cream, onion, salt &
pepper. Mix well. Brush
top with melted butter.
Bake 350° for 30 minutes.
Place under broiler for
few minutes for surface
to brown lightly. Sprinkle
with almonds. (I don't do
this either - I put almonds
on top before I baked).
