

Cilantro Pesto delicious on pasta, potatoes & pot stickers

Use a food processor fitted with the metal blade
add 1 clove of garlic & 4 oz of parmesan (either
grated or cut into 1 inch cubes) Process until
they are minced. Add 2 C. of roughly chopped cilantro,
one fourth C of pine nuts, 1 T of diced jalapeños & 1/4 t.
salt, process until finely minced. With the motor
running add 3/4 C. olive oil. Toss with hot pasta,
potatoes, vegetables or pot stickers - only enough to
barely coat. Or drizzle a little on cooked cold
meat or chicken. Or cut a loaf of french bread →

lengthwise; brush on a little cilantro pesto
& bake or broil untill it is heated & crisp.
