

Chip Dip

GLATHA WINCHIE

1 large pkg. cream cheese

1 dash garlic salt

1/8 teas salt

1/4 cup milk

1 tbls. onion

Not being a great cook, I never measure anything. these are approx. measurements. You might have to add a little more onion depending on how strong you like it. Also, you will probably vary the milk until you get the consistency you want. A little more variation to this is add a pkg. of liver sausage which makes a nice spread
