

Pea Foam Frosting (7 min. Frosting)

2 egg whites, unbeaten
1 $\frac{1}{2}$ c brown sugar, firmly packed
Dash of salt
 $\frac{1}{3}$ c water
1 tsp vanilla

Combine egg whites, sugar, salt + water in top of double boiler. Beat 1 minute to mix well.

Place over rapidly boiling water, beat continually with rotary beater for 7 mins or until frosting peaks. Remove from over

water.

- Add vanilla & beat 1 min. or until thick enough to spread.
