

Parlet en Casserole - Grilled Toast Points

Cut 2 large roasting chicken, into pieces. Cover with 7 cups boiling water, bring to a boil and add 1 carrot, 2 stalks celery with leaves, 1 clove garlic, $1\frac{1}{2}$ tps. salt, 2 envelopes chicken bouillon powder and 1 tsp. gourmet powder. If you can't get gourmet powder, substitute an extra envelope of bouillon powder. When the mixture comes to a brisk boil, lower heat and cook gently until chicken is very tender. Add water time to time to keep water level about as it was when cooking started. Remove chicken, strain broth and set in cold place to let fat rise to top. Separate chicken from bones, fat and gizzard and beak or cut into fairly large pieces. Slice $1\frac{1}{2}$ lbs. mushrooms, save 8 of the best looking caps for top of casserole. Melt a little butter in a skillet and put in the 8 mushrooms cups upside down. When they are golden brown, remove, add the sliced mushrooms and sauté for 10 min. Pour them into chicken pieces. Into the same skillet put 4 tbps. butter and cook until slightly brown, blend in 5 tbps. flour. Add 4 cups chicken broth, all fat removed, 1 tsp. fresh sweet basil leaves finely chopped or 1 tsp. dried basil, a pinch of cayenne pepper, $\frac{1}{2}$ tsp. fresh ground black pepper and $\frac{1}{2}$ cup heavy cream or undiluted evaporated milk. When mixture has thickened, remove from fire and add 4 egg yolks, beaten until light in $\frac{1}{2}$ cup broth. over

If liked you may use $\frac{1}{2}$ cup Madeira or Sherry wine instead of broth. Mix sauce with chicken and mushrooms and taste for seasonings. Pour into Casserole, top with whole mushrooms, put cover on and keep in cold place until next day. Grilled Toast Points:

Remove crusts from 5 medium-thin slices of bread.

Cut each slice into 4 even squares, then cut diagonally across each little square to make 2 triangles. Thus 5 slices will make 40 triangles. Grill the points slowly in a little butter until they are a strong golden brown on both sides. Set aside for next day. Along toward noon or supper time on the day of the party, put the covered casserole in a 400 F oven. When chicken is piping hot, reduce heat to very low temperature, arrange toast points in a spiked border around rim of casserole and return to oven until ready to use. serve. Melted Toast Curls:

Cut day old bread very thin slices, remove crusts, spread lightly with soft butter. Then roll over two diagonally opposite corners a little past the middle, and pin them in this position with a toothpick. Place on a cookie sheet and toast under broiler, but not too close to it, until brown on both sides and leave in a low oven until completely dry. Remove toothpick while toast is still warm. Make these the day before and let them stand the last 10 min. in the oven with the Casserole.
